13th National Conference And Technology Exhibition on
Indian Medical Devices & Plastics
Disposables/Implants Industry 2016
Venue: J. B. Auditorium, Ahmedabad Management Association, IIM Road, Ahmedabad.

Supported by:
- AIME
- MDMMA
- SBMA
- ADMI
- FDC
- NMES
- MSFHCIA

650 Delegates
50 Expert Speakers
40 Exhibitors

Prime Sponsor:
Lubrizol LifeSciences
Gold Sponsor:
GLR

In Conjunction With:
Technology Display Show 2016
An Exhibition Displaying Materials, Adhesives,
New Technologies, Manufacturing / Testing
Equipment, Packaging / Sterilization Equipment
And Services For Medical Devices, Implants
& Diagnostics Industry
List of Exhibitors

Aakar Packart
Accuperc Research Labs Pvt. Ltd.
Ami Polymers Pvt. Ltd.
Apar Industries Ltd.
Atachi Systems Private Limited
Bhavya Polymers
Connel Bros. (India) Pvt. Ltd.
Covestro (I) Private Limited
Dave Technical
Et Elastomer Technik GmbH
Excel Formulations
FDCA
Federal (I) Trading Company
Guru Polymer
Interplex India Pvt. Ltd.
LDRA Technology Pvt. Ltd.
Lubrizol Advanced Materials India Pvt. Ltd.
Maider Medical Industry Equipment Co., Ltd.
Medical Plastics Data Services
Medical Manufacturing Asia
Medi Source Asia
Medical Textiles- SITRA
Multivac Laron India Pvt. Ltd.
National Hub for Healthcare Instrumentation Development (NHHID), Anna University
Operon Strategist
Pall India Pvt. Ltd.
Pradeep Surgipack
Rup’s India
Sai-treat (Anandi Specialties Pvt. Ltd.)
Shriram Axill Pvt. Ltd.
Shiv Enterprise
Sputnik Pipies (Kisan Pipes & Profiles Pvt. Ltd.)
Stari Techno Fab
Technic Automation
U.V Patel College of Engineering
VascuTech Medical
Students Poster Display
About Conference Organizers

The conference is organized by “Classic Computer Services”, a company providing information resources for Medical Technology and Markets through Publications, Internet Portals, Exhibitions, Conferences and Market Research since last 24 years.

The organization designs and develops conference programs aimed at specifically targeted audiences in order to provide strategic and timely information. Through a production process focused on end-user research and design, our team is able to understand the immediate business concerns of today’s leading executives.

Keynote presentations, case studies and panel discussions are delivered by industry leaders with extensive knowledge of their respective industries and specialties. Exhibitors showcase new developments, technologies, innovations and services.

Publications & Internet:

2. We have been promoting the internet portals
   • www.medicalplasticsindia.com
   • www.medisourceasia.com
   for over 17 years in order to reach the widely spread National & International Medical Technology Industry.

Annual Celebration Of Knowledge Sharing, Brain Storming and Networking

14th National Conference And Technology Exhibition on
Indian Medical Devices & Plastics Disposables/Implants Industry 2017

(Zero zero)
The Event was a grand success with the participation of more than 650 delegates and about 50 eminent speakers from the medical devices & disposables / implants sectors over two days from India and abroad. Delegates represented small, medium and large scale industries, Government, Research, Regulators and Academic Institutions as well as Healthcare Professionals. About 40 companies showcased their Products and Services in the Technology Display Show Exhibition. The delegates, industry experts, exhibitors and visitors came from India as well as foreign countries including USA, U.K., Germany, China, The Netherlands, Belgium etc.

The two day conference was focused on the following subjects.

- Integrating Market, Technology, Innovation and Ecosystem
- “Innovation” : The only way Forward to Survive & Grow.
- Building Competitiveness Through Innovation in Materials, Machineries & Processes.
- “Make-In-India”- Challenges in Successful Implementation.
- Emerging Technology Trends in MedTech Industry
- Redesigning the Manufacturing Process to Meet Quality Standards.
- Biocompatibility (ISO 10993) Training Workshop.
- Safety And Risk Management For Healthcare Professionals

This annual conference for the Indian Medical Devices and Plastics Disposables/Implants Industry is being organized by the publishers of magazine, “MEDICAL PLASTICS DATA SERVICE” and promoters of the medical technology internet web sites, www.medisourceasia.com & www.medicalplasticsindia.com since 2001 with close involvement and support of the leading Industry Associations in Medical Devices, Plastics and Pharma Sectors as well as Government, Regulatory, Export Promotion and Research Organizations including: Association Of Indian Medical Device Industry (AIMED), Medical Disposables Manufacturers Associations (MDMA), Society of Bionanomaterials & Artificial Organs, National Biomedical Engineering Society (NBES), Food and Drugs Control Administration (FDCA), Association of Diagnostics Manufacturers of India (ADMI), The All India Plastics Manufacturers’ Association (AIPMA), Medical Surgical And Healthcare Industry Trade Association (MSAHITA), Gujarat State Plastics Manufacturers Association (GSPMA), Indian Plastics Institute (IPI), Indian Drugs Manufacturers Association (IDMA), Engineering Export Promotion Council of India (EEPC), Orthopedic Implants Manufacturers Association (OIMA) as well as Society of Plastic Engineers (SPE).

The Publication and the Internet Portals are promoted by “Classic Computer Services,” a company providing information resources for Medical Technology and Markets through Publications, Internet Portals, Exhibitions, Conferences and Market research since last 24 years.

While welcoming the Industry delegates, speakers and exhibitors from India and abroad, Mr. D.L. Pandya, the Conference Convener said that this annual event being organized since 2001 has the sole objective of promoting “Make-In-India” mission focused on Medical Disposables and Implants sub-sectors of Indian Medical Device Industry. It is the pioneer and the only Event of its type promoting manufacturing industry in India. Louring the role being played by “AIMED”, Mr. Pandya said that the Indian Medical Device Industry has been recognized as an important and distinct identity by many many initiatives of Shri Rajiv Nathji, Jt. Managing Director of Hindustan Syringes & Medical Devices Ltd, And the Forum Coordinator of AIMED. He also has to his credit for the first time uniting Indian Medical Device Manufacturers under various verticals.

A half day Biocompatibility (ISO 10993) Training Workshop, a hands-on training course was conducted in concurrence with this event by GLR Laboratories Pvt. Ltd, Chennai, to help participants understand biocompatibility requirements for their medical devices and develop approaches to go about testing their products.

The event integrated Medical Devices, Plastics and Pharma industries. It linked Industries with academic and research organizations. It also integrated products, technology and service providers with the Medical Device Industry.

A half day Conference on, “Safety and Risk Management for Healthcare Professionals” was also included. This conference has been organised to create awareness and devise preventive strategies to minimize these risks.

International & Indian Experts from the Industry and leading hospitals shared their knowledge and experience on this critical issue of importance to Healthcare Professionals.

The event was highly appreciated by all the stakeholders & participants. The mission of creating the platform for the Indian Medical Device industry and the technology/ product’s service providers with an objective to facilitate an environment of healthy growth was successfully fulfilled.

The star attraction of the event was the “Technology Display Show Exhibition 2016” wherein around 40 companies showcased Materials, Adhesives, New Technologies, Manufacturing / Testing Equipments, Packaging / Sterilization Equipments and Services for Medical Devices, Implants & Diagnostics Industry.

The Highlights of Student Program were:
- Participation in technical conference
- Introduction to career opportunities in the medical technology industry
- Opportunity for poster presentation in the technology show exhibition
- The Sahajand Laser Technology - SUSHRUTA Innovation Award 2016 (SIA) for Paper presentation competition by students evaluated by industry experts.
13th National Conference And Technology Exhibition on
Indian Medical Devices & Plastics Disposables/Implants Industry 2016

Theme: “Indian Medical Device Industry : Integrating Market, Technology, Innovation and Ecosystem”.

Galaxy of Speakers and Panel Experts

Day-1 : February 12, 2016

Inaugural Session:

Key Note Address
Dr. Jitendar Sharma
Head, HTD – Health Technology Division, National Health Systems Resource Centre – NHRSC, Ministry of Health & Family Welfare, Govt. of India.

Address
Mr. Rajiv Nath
Forum Coordinator, Association of Indian Medical Devices Industry (AIMED) & Joint Managing Director, Hindustan Syringes & Medical Devices Limited, New Delhi.

Address
Shri H. G. Kosha
Commissioner, Food & Drug Control Administration, (FDCA) Gujarat State

Address
Dr. Arvind Kukrety
Deputy Drug Controller (India)

Conclusion and Vote of Thanks
Dr. G. D. Agarwal
CMD, G Surgiwear Limited, Shahjahanpur, U.P. & Jt. Coordinator, AIMED (Implants),

Welcome Address
Mr. D. L. Pandya
Conference Convener

Session I : Panel Discussion - Theme of Panel Discussion : “Indian Medical Device Industry: Integrating Market, Technology, Innovation and Ecosystem”.

Moderator
Mr. Rajiv Nath
Forum Coordinator, Association of Indian Medical Devices Industry (AIMED) & Joint Managing Director, Hindustan Syringes & Medical Devices Limited, New Delhi.

Mr. Balram Sankaran
CEO, SCTIMST- TIMED, Trivandrum.

Mr. T. S. Kumaravel
Founder Chairman, GLR Laboratories Pvt. Ltd., Chennai.

Mrs. Ramila Mandal
Pre-Clinical Head, Sahajanand Medical Technologies Pvt. Ltd., Surat.

Mr. Anand Srinivasan
Head-Poly carbonate (TSC), Covestro (India) Pvt. Ltd., Maharashtra.

Presentation by
Dr. G. D. Agarwal
CMD, G Surgiwear Limited, Shahjahanpur, U.P. & Jt. Coordinator, AIMED (Implants),

Dr. Pallavi Kulkarni
Technical Manager, Lubrizol Advanced Materials India Pvt. Ltd. USA.

Mr. D.K. Sharma
CEO, Sharma Pharmaceutical Pvt. Ltd., Vadodara.

Session II: Theme: Building Competitiveness Through Innovation in Materials, Machineries & Processes.

Session Chairman
Mr. Narasinh K. Balgi
Director, Ferromatik Mlacon India Limited, Mumbai.

Mr. Meekala Rao
Founder & President, Aatichi Systems Private Limited, Hyderabad.

Mr. T. S. Kumaravel
Founder Chairman, GLR Laboratories Pvt. Ltd., Chennai.

Mr. Derrick Chan
Head of Regional Segment Healthcare Polymer Solutions, Asia Pacific, Clariant (Singapore) Pte. Ltd.

Mr. Pallavi Kulkarni
Technical Manager, Lubrizol Advanced Materials India Pvt. Ltd. USA.

Mr. Shinto Joseph
Director, LDRA Technology Pvt. Ltd. Bangalore.

Dr. Manasi Nath
Technical Application Engineer, Kraton Polymers International Ltd. Mumbai.

Welcome Address
Mr. D. L. Pandya
Conference Convener

Session III: Panel Discussion On: “Make-In-India”- Challenges in Successful Implementation.

Moderator
Mr. Rajiv Nath
Forum Coordinator, Association of Indian Medical Devices Industry (AIMED) & Joint Managing Director, Hindustan Syringes & Medical Devices Limited, New Delhi.

Mr. Ravi Srivastava
CEO, Omni Lens Pvt. Ltd., Ahmedabad.

Mr. Dhiron Mehta
MD, Surgimedik Healthcare India Pvt. Ltd., Mumbai.

Mr. J.P. Dutta
CEO, Lancer Medical Technology Ltd., Ahmedabad.

Mr. Vipul Seth
Managing Director, Matrix Meditec Pvt. Ltd., Ahmedabad.

Mr. Sanjay Shah
Owner Promoter, Unikal Consultants, Ahmedabad.

Brief Introduction by
Dr. Prashant Jha
Fellowship Director, School Of BioDesign, AI India Institute Of Medical Sciences, India.
Day-2: February 12, 2016

**Session I: Session Theme: Emerging Technology Trends in MedTech Industry - 1**

- **Session Chairman:**
  - Mr. Atul Kanuga
  - President, IPI & Environmental Committee Chairman, Plastic India Foundation.

- **Mr. Sanjay Chotalia**
  - Manager, Technical Sales & Marketing, Covestro (India) Pvt. Ltd., Thane, Maharashtra.

- **Mr. Tim Galekop**
  - TiGaMed Consulting, Belgium.

- **Mr. Manoj Bhardwaj**
  - Managing Director, SMC Ltd., Bangalore.

- **Mr. Partha Mohapatra**
  - Lead Healthcare (India) & Technical Support, Syrulation ABS (India) Ltd., India.

**Session II: Session Theme: Emerging Technology Trends in MedTech Industry - 2**

- **Session Chairman:**
  - Dr. Hemant Desai
  - Vice President, Operations, Mekcare Laboratories, Ahmedabad.

- **Mr. T. Sureshram**
  - SITRA - Medical Textiles, Coimbatore.

- **Mr. Siddharth Jain**
  - CEO and Chief Regulatory Advisor, Symbiorph Clinical Triology, Ahmedabad.

- **Dr. Jaishree Kasliwal**
  - NABC-acceptor, Quality Council of India.

**Session III: Panel Discussion: Redesigning the Manufacturing Process to Meet Quality Standards**

- **Mr. Manoj Bhardwaj**
  - Managing Director, SMC Ltd., Bangalore.

- **Dr. T. S. Kumaravel**
  - Founder Chairman, GLR Laboratories Pvt. Ltd., Chennai.

- **Dr. S. S. Murugan**
  - Managing Director, GLR Laboratories Pvt. Ltd., Chennai.

- **Mr. Jayant Kamath**
  - Founder & Principal Consultant, Caliber Assurance Services, Bangalore.

- **Mr. Deepak Dave**
  - Vice President, Medical Surgical and Healthcare Industries Trade Association, Ashutosh International, Mumbai.

**Track II: Biocompatibility (ISO 10993) Training**

- **Session Co-ordinator:**
  - Mr. Sanjay Shah
  - Managing Director, Unikai Consultant, Ahmedabad.

- **Mr. S. S. Murugan**
  - Managing Director, GLR Laboratories Pvt. Ltd., Chennai.

- **Dr. T. S. Kumaravel**
  - Founder Chairman, GLR Laboratories Pvt. Ltd., Chennai.

**Track III: Student Programme - Focus: Career Opportunities For Biomedical Engineers**

- **Dr. Prakash Jha**
  - Fellowship Director, School Of BioDesign, All India Institute Of Medical Sciences, India.

- **Dr. Tarang Patel**
  - Director, LDRA Technology Pvt. Ltd., Bangalore.

- **Mr. J. P. Dutta**
  - CEO, Lancer Medical Technology Ltd., Ahmedabad.

- **Prof. Vijay P. Dave**
  - Assistant Professor, Biomedical & Instrumentation Engineering Department, N. V. Patel College of Engineering, Mehsana.

- **Mr. Deepak Dave**
  - Vice President, Medical Surgical and Healthcare Industries Trade Association, Ashutosh International, Mumbai.

- **Mr. J. P. Dutta**
  - CEO, Lancer Medical Technology Ltd., Ahmedabad.

- **Mr. Nirav Solanki**

- **Mr. J. L. Meena**
  - State Quality Assurance Medical Officer, Commissioner of Health, Govt. of Gujarat, Gandhinagar.

- **Dr. Mahesh Patel**
  - Quality & Patient Safety Officer, Apollo Hospitals International Limited, Ahmedabad.

- **Dr. Tim Galekop**
  - TiGaMed Consulting, Belgium.

- **Mr. Sanjeev Kaul**
  - SafePoint India

**Track IV: Conference On Safety And Risk Management For Healthcare Professionals**

- **Moderator and Session Chairman:**
  - Dr. Rajesh C. Shah

- **Mr. J. P. Dutta**
  - CEO, Lancer Medical Technology Ltd., Ahmedabad.

- **Mr. Sumit Marwah**
  - CEO & Director, Discplane India Pvt. Ltd., Discplane Healthcare Pvt. Ltd., I2 Consulting, Decan Crest, Management Consultant & Entrepreneur.

- **Mr. Sanjeev Kaul**
  - Safe Point India
Day 1: February 12, 2016

Theme: “Indian Medical Device Industry: Integrating Market, Technology, Innovation and Ecosystem”.

Inaugural Session:
- Welcome Address by Mr. D. L. Pandya: Executive Director, Engineering Export Promotion Council (EEPC) India.
- Address by Dr. H. G. Koshia: Commissioner, Food & Drug Control Administration (FDCA) (Gujarat State).
- “Changing Medical Device Industry Scenario in Gujarat” Address by Dr. Kiran Kalia: Director, NIPER Ahmedabad, C/O B.V Patel PERD Centre, Ahmedabad.
- Address by Mr. Rajiv Nath: Forum Coordinator, Association of Indian Medical Devices Industry (AIMED) & Joint Managing Director, Hindustan Syringes & Medical Devices Limited, New Delhi.
- Inauguration by Guest of Honors.
- Key Note Address on “Indian Medical Device Industry: Integrating Market, Technology, Innovation and Ecosystem” by Dr. Jitendar Sharma: Head, Health Technology Division, National Health Systems Resource Centre – NHSPC, Ministry of Health & Family Welfare, Govt. of India.
- Address by Dr. Arvind Kukreti: Deputy Drugs Controller (India).
- Conclusion and Vote of Thanks by Dr. G. D. Agarwal: CMD, G Surgiwear Limited, Shahjahanpur, U.P & Jt. Coordinator, AIMED (Implants).

Session I: Theme: Indian Medical Device Industry: Integrating Market, Technology, Innovation and Ecosystem.
- “Innovation” Only Way Forward to Survive & Grow.
- Followed by Panel Discussion on the session theme “Indian Medical Device Industry: Integrating Market, Technology, Innovation and Ecosystem”.

Session II: Theme: Building Competitiveness Through Innovation in Materials, Machineries & Processes.
- Process oriented approach for building safer and secure medical devices.
- Improving Quality, Efficiency and Compliance with Paperless Manufacturing

Session III: Theme: “Make-in-India”- Challenges in Successful Implementation.

Day 2: February 13, 2016

Track I

Session I: Theme: Emerging Technology Trends in MedTech Industry – 1
- Indian Medical Device Contract Manufacturing: Trends & Opportunities.
- Styrenics solution for Infusion system, Fluid delivery, Respiratory & Drug device.
- Blood is not ketchup! Biocompatible Plastics for Medical Devices.
- Bio-medical Applications of Plasma Technology.

Session II: Theme: Emerging Technology Trends in MedTech Industry – 2
- Opportunities in Medical Textiles Industries.
- EU Clinical Explanation Reports (CER) and Literature Review for Medical Devices.
- Voluntary Certification Scheme for Medical Device Industries.

Session III: Theme: Redesigning the Manufacturing Process to Meet Quality Standards.
- Panel Discussion On the theme Redesigning the Manufacturing Process to Meet Quality Standards.

Track II: Biocompatibility (ISO 10993) Training
A hands on training course to help participants understand biocompatibility requirements for their medical devices and develop approaches to go about testing products.

Track III: Conference on Safety And Risk Management for Healthcare Professionals
- “5 Ways For Well Being”
- “Infection prevention or Infection control?”
- “Needle stick injury and sharp injury – a burning issue.”
- “Infection Safety”

Track IV: Student Programme
Session I: Theme: Career Opportunities for Biomedical Engineers
- Entrepreneurial Opportunities in Medical Devices.
- Career Opportunities for Medical Device Software Development.
- Career Opportunities in Medical Device Marketing.

Sahajand Laser Technology - SUSHRUTA Innovation Award (SIA):
- Paper Presentation Competition.
- Poster Presentation in the Technology Display Show.
Satisfied Delegates, Speakers and Exhibitors

Thanks to the excellent organization skill of Shri DL Pandya and his dedicated hard working team, the Conference this year at Ahmedabad was a great success with highest ever participation by Manufactures and Developers and Vendors Government Officers and Students to the Medical Device Industry and a large number of International Exhibitors.

We are indebted to the initiatives taken by the humble and unassuming friend of the Indian Medical Device Industry, Shri Pandya to bring all Stakeholders at one Forum.

Forum Coordinator - Association of Indian Medical Device Industry (AIMED)

N. K. Balgi
Director, Plastic Machinery India, Ferromatik Miliacron India Private Limited, Ahmedabad

For me this was the first time that I, in India, spoke on a conference dealing with Medical Plastics. It was for me extremely useful to network and meet interesting people.

Tim Galekop
Owner, TIGAMED, Global Consultancy Infection Prevention, Belgium

The Biocompatibility (ISO-10993) was very useful for us.

Ganesh Nannaware
Drugs Inspector, CDSCO, Ahmedabad

The mix of audience and speakers from different segments of medical segment was really good and the arrangements and time scheduling were also good.

Sanjay Chotalia
Manager Technical Sales & Marketing – West, Covestro (India) Private Ltd, Thane

Thanks for your great initiatives, continuous improvement, engagement and services to Medical & Pharma Industry.

Umang Shah
National Sales Manager, Clariant Chemicals India Ltd.

Very well organised and well conducted. The morning session was great when speaker from regulatory side come and elaborate and development on regulation side. This conference is getting strong foothold and more and more people are getting in giving good sign of organising of medical device industry.

Dr. Inder Jain
Managing Director, Airways Surgical Pvt. Ltd., Mumbai

Congratulations for organising such a huge, diversified and multi facet event successfully.

Your team is efficient and dedicated. Medical Devices sector is undergoing through various odds, hence such platforms are very much required for the interaction of different stakeholders. So please continue organising these kinds of events and keep me informed too.

Dr. Jaishree Kasliwal
NASCB - Accessor, QCI – Delhi

The conference had planned focused sessions on different aspects of medical device engineering and technology, which helped the participant or attendee to decide what to listen based on one’s own interest.

Dr. Nirav Jamnapara
Scientist, FCIPT, Institute for Plasma Research, Gandhinagar

All arrangement, speakers and quality of the information material and presentations were extraordinary and were quite informative to the industry/enterprisers.

Dr. Hemant Desai
Vice President – Operations, Makur Laboratories, Ahmedabad

Congratulations on hosting such a wonderful conference. I enjoyed talking to my co-panelists and meeting many manufacturers of medical devices.

Dr. Prashant Jha
Fellowship Director, School of International BioDesign, Delhi
The conference was full of information related to compliances required to fulfill the quality of product.

Molay Das
Manager, Marketing, Kuraray India Pvt. Ltd., Delhi

Excellent - Supporting Make in India drive pushing industrial growth and encouraging medical devices sector in the country.

Santosh Patel
Regulatory Affairs, Merit Group of Companies, Vapi

First day inaugural programme was an eye opener for current scenario of Medical Devices in India. Also, the exhibition was really good as manufacturer and supplier from all over India were there.

Dr. Mukty Sinha
Assistant Professor, Dept. of Medical Devices, NIPER-Ahmedabad

The IMDI 2016 had a very interesting inauguration session with very supportive and committed speeches from Gujarat Drugs Commissioner and Head Medical technology GOI. I would like to take this opportunity to congratulate you for bringing together a group of knowledgeable personalities under one forum and your team for excellent arrangement and managing the event.

Prashant Trivedi
Sr. General Manager - OE & Technical Services, Sintex Industries Ltd.

The various sessions and panel discussions were very insightful and we were very happy by the level of speakers and panelists attending the conference. We also got ourselves updated on the emerging technology in the Medical Devices space during the course of the conference. Also, the venue selected was apt for having such conferences.

Pratik Narsingpura
Business Advisory, SKP Business Consulting LLP, Mumbai

I really appreciate your effort to uplift Indian manufacturer.

Pradeep Barot
M.D., Hiltech Surgical Systems

My heartfelt congratulations for successfully organising the Conference and Exhibition covering very important and relevant topics for the benefit of the Disposable Plastics Industry. I hope the Industry is upgrading their activities as per the changing scenario. I am also happy to know about the New High Tech Laboratory coming at Vadodara under FDA, will be helpful to all the Industries.

K. Shamjee

Information related with medical device development scenario in India and session on biocompatibility was very much useful for me.

Payal Rohit Patidar
Executive-Regulatory Affairs, Omni Lente Pvt. Ltd, Ahmedabad

I am really obliged to be present at the event. It was really an enlightening experience, as I am a student of bio medical engineering; I really found many sessions interesting. I would really like to appreciate the ideas about innovation and make in India. The center of the attraction was the key speech by Dr. Jitendra Sharma.

Akshar Thakkar
Student- Biomedical Engineering, GEC, Gandhinagar

The presentation & talk given by Mr. Tim is much appreciated. More awareness and inputs/care to be taken related to infection control & risk management can be included.

Seema Iyer
Nursing Apex Heart Hospital

The conferences aided to have interaction with students and company officials that gave an idea about developing a lab scale research to industrial product. Furthermore the conference provided knowledge regarding prevailing resources for an entrepreneur for a start up project for his product development. This conference also encourages student to develop research products according to the social need.

Bhuvaneshwaran SP
Senior Project Assistant, School of Medical Science and Technology, Indian Institute of Technology, Kharagpur

It was very nicely organized...as the industry becomes more organized, I am sure it will have more eyeballs.

Chintan Joshi
Head - Communications, India, Covestro India Pvt. Ltd.

This was a great opportunity in the field of Medical Device. Especially in the field of Regulatory there were many eye opening talks about the rules to be implemented in the field of Medical Implants to be manufactured in India.

Anthony George
Emerald Plastics Magazines Pvt. Ltd.
