

Exhibition Invitation

Technology Display show 2012

To be held in conjunction with
**9th Two Day Conference on :
Indian Medical Devices & Plastics Disposables Industry 2012**

March 23-24, 2012

Time : 9.30 A.M. to 5.30 P.M.

Number Of Companies from India and abroad will exhibit samples and information related to important inputs like materials, adhesives, equipments, technology as well as services.

Glimpse of Previous Events

Profile of Exhibits :

- Polymeric & Other Raw Materials
- Medical Components And Subassemblies
- Adhesives
- Manufacturing Equipments
- Packaging, Printing & Sterilization Supplies
- Cleanroom Supplies
- Laboratory Equipments & Supplies
- Services For : Manufacturing, Quality Testing, Quality Certification, Technology, Marketing etc.
- Industry Associations
- Publications & Information Providers

We warmly invite you to join us for this
**Annual Celebration Of Knowledge
Sharing And Brain Storming
Promote Your Products And
Services To Indian Medical
Devices, Plastics Disposables &
Diagnostic Industries**

Venue : Ahmedabad Management Association
(AMA), ATIRA Campus, Near IIM-A,
Ambawadi-IIM Road, Ahmedabad.

Organized by :

Exhibition Invitation

Technology
Display show
2012

An Exhibition Showcasing Raw Materials, Components, Equipments, Packaging And Sterilization Supplies, Technology And Other Services For Medical Products Manufacturing.

Profile Of Exhibits

- ETO Gas/ ETO gas mixtures
- Silicon Compounds for Healthcare & Pharmaceutical industries, to be used for adhesives, extruded tubing, lubricants etc.
- Manufacturers of High Extrusions & Molded Components
- Polymer technologies & materials
- Manufacturing of Medical molded parts for OEM's from liquid silicon using the highest Medical Grade Materials
- Silicon Rubber Products, Silicone, Viton, EPDM, Neoprene, Nitrile Rubber Products for Medical Applications
- Adhesives, Rubber & Elastomers, Tubing & Molding Assemblies
- Medical Grade PVC Compound
- Machines for making blood bags, IV bags with integrated filling, urine bags etc.
- Air Leakage testing machine for Medical Devices like urine bags, I.V. sets etc.
- Packaging machines, coding machines & other Industrial Products
- E.T.O. Sterilization Equipment
- High precision Medical Device molds, all Electric Injection Molding machines, Automation systems etc.
- Precision Injection Mold manufacturing and Injection molded parts with post molding operations like Ultrasonic Welding & Pad printing
- Medical Grade papers for Medical Device Industries and Pharma Industries, Alu-Alu folis for pharma Packaging, Condom Laminates and Raw Materials
- Medical Grade Paper-Poly pouches
- International service corporation Providing consulting, testing, certification and training
- General consultancy, Authorized representative, Quality Management System
- Notified Body providing Medical Device Certification
- Software Certification Tool Vendor

To be held in conjunction with 9th Two Day Conference on : Indian Medical Devices & Plastics Disposables Industry 2012

EVENT HIGHLIGHTS

- 25 or more Identified Best Practice Presentations by Leading Professionals from Industry, Government, Research & Academic Institutions from India and Abroad spread over 2 days
- Panel Discussions on current regulatory, technology and market scenario
- Opportunity to interact directly with the experts and speakers
- Ideal Platform for networking with the best minds in the Indian Medical Devices and Allied Manufacturing Industry
- A "Technology Display Show" exhibition
- Distribution of large number of Conference Papers, Publications, Catalogues from Indian and Foreign companies.
- Company Visits

Buyer -Seller Meet For Medical Device Exporters

Coinciding with the event, for the first time, Pharmaceuticals Export Promotion Council of India (Pharmexcil) is organizing One-to-One Business Meetings for the Medical Devices Industry, inviting about 30 buyers from all parts of Globe.

- Over 30 buyers from CIS, ASEAN, Latin American Countries (LAC), AFRICA regions dealing with Medical Devices & Diagnostics Products.
- One-to-One Meetings are arranged.
- Senior Officials from Government of India and State Governments are invited to interact with overseas & Indian Delegates.

WHO SHOULD ATTEND

- Medical device manufacturers
- Drug packagers
- Research Organisations
- Quality Certification Agencies
- Regulatory Agencies
- Exporters And Export Promotion Agencies
- Designers
- Manufacturers Of Tubes And Injection Moulded Components
- Manufacturers Of Clean Room & Sterilisation Supplies
- Medical Plastics Processors
- Plastics and additive producers
- Machinery suppliers
- Universities and testing Laboratories
- Financial Institutions
- New Entrepreneurs
- Government And Consulting Agencies
